### Section 3

I, \_\_\_\_\_, have enrolled \_\_\_\_\_ in a dance program at The Creative Dance Center. I understand that tuition is made in 10 monthly payments and is due by the 10th of each month. I understand that if I pay for tuition after the 10th of the month there will be a \$10 late fee. I understand that a registration fee of \$10.00 is due with this registration form and the student will not be registered until this fee is received. I understand that tuition is not refunded for missed classes. Since this is a physical activity, injuries may occur. Each student may decline to participate in an activity that may be harmful and is responsible to inform the instructor of any personal limitations that may prevent full participation in class. I understand that all tuition, registration fees, tickets, videos, dancewear and costumes are non-refundable. I understand that I have signed up for a dance program that requires attendance in class each week in order to achieve the best results. I understand that tuition will continue to accrue until written or verbal notification is received stating a desire to withdraw from class.
